

Long Course Meters 2009 Top Ten

and Long and Short Course World
Records as of November 1, 2009

CONTENTS

The 2009 Long Course Meters Top Ten is the second issue in a series of three 2009 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2008-2009 Long Course Meters (swims performed in a 50 meter pool) made on or before September 30 and forwarded to the National Swims Administrator, Mary Beth Windrath, by October 20, 2009. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

Top Ten Patches

Each person (individuals and relay members) on this list is eligible to purchase a Top Ten Patch with stroke segment. To order your patches (\$5 each) and additional stroke segments (\$1.25 each) send your check payable to:

All American Patches and Certificates

Once the SCM Top Ten is finalized, the official 2009 All American Roster will be produced. A swimmer/relay who has the top

time in one or more events in any one of the three courses qualifies for All American status. To order an All American Certificate and Patch, send a check for \$5 made out to USMS to: USMS National Office, P.O. Box 185, Londonderry, NH 03053-0185.

Those individuals performing the most first place times, in the most events, in their age group are awarded All Star status. All Stars will receive a special certificate from the USMS. All American (individual) and All Star rosters will be listed on our Web site.
